Experience

Product Designer

Woltair s.r.o.

September 2023 – November 2023, Prague, Czech Republic

- research (including on-site research with users), documentation and team brainstorming of current Product version for possible and needed UX/UI improvements including Design system
- design implementation review, identifying errors and performing any necessary reporting before release

Junior Product Designer

DODO Services, s.r.o.

May 2022 - June 2023, Prague, Czech Republic

Began as an intern for 3 months, after that joined as a full-time Junior Product Designer.

- communicating with Product Owners and Developers; design implementation review
- working on internal projects as well as projects for clients
- desktop projects, mobile application projects

Administrative Assistant

Clifford Chance Prague LLP, organizační složka

August 2018 - December 2022, Prague, Czech Republic

- communication with advocates and their daily work support including communication with other departments; formatting, proofreading and formal final finalisation of documents
- high stress environment, necessity of correct and fast work performance
- responsibility for part-timers in the company, back up for my supervisor in time of her absence

Education

Skillmea, Tester Academy

October 2024 - January 2025, Online

In this course, I completed 72 hours of online lectures, which were divided into three modules with the following topics:

Manual Testing:

- Testing techniques and tools
- Test categorisation
- Product verification
- Creation of test scenarios
- Basics of SQL and API testing

Automated Testing:

- Basics of programming
- Basics of BDD for creating automated scenarios

Google, Coursera UX Design Certificate

November 2021 - March 2022, Online

In this course developed by Google and provided by Coursera I completed seven lectures that included hands-on, practice-based assessments and served as a preparation for entry-level roles in UX design. I completed the design process of 3 projects from beginning to end.

University of International and Public Relations Prague

2017 - 2020, Prague, Czech Republic

Bachelor's Degree in International Relations and Diplomacy.
